

LET'S GET SOCIAL

# BELLEVUE PARENT HIKE

*March 10, 2024 ~ 1pm*

*Cal Poly Design Village Hike aka*

*Architectural Graveyard ~*

*3 miles*

**See Reverse Side for  
Parking Directions**

## **1. Park at the Village Drive Structure**

Head to the Poly Canyon Village on campus. You'll want to park at the Village Drive Parking Structure. It's a large parking lot, can't miss it. Parking is \$7 for the day and you pay at machines before leaving the ticket in your window.

## **3. Follow Poly Canyon Road To The Arch**

The road is gravel and mostly flat, with maybe a *\*slight\** incline. It's easy for all ages, though there isn't much shade. If it's a hot summer day, bring extra water and try to start earlier in the day to avoid heat.

## **2. Take The Garden Trail**

Standing on Village Drive at the front of the parking lot, look for a little sidewalk to the right of the parking structure. It'll be a long path with gardens and some trees. It leads to Poly Canyon Road. Look for the yellow gate and walk past it.

## **4. Look For The Arches**

About a mile in you'll see a large arch with a wooden map. This is the entrance to the Cal Poly SLo Architecture Graveyard museum! From here, follow the path up and into the graveyard. You'll probably first stop by the Observation Deck that overlooks many of the structures. From here, wander at will!
